# "City Flowers"

City Flowers supply flowers for many of the funerals conducted by A.W. Lymn The Family Funeral Service and for a growing number of other funeral directors in the area. Although not exclusively funeral flowers these pages show various floral tributes, however many variations on these designs are available, please ask your funeral director for more advice. The staff will also be happy to discuss any personal designs as unusual tributes are a speciality of the firm and various photographs of some of these are available at City Flowers. For further advice please contact Kerry or Jo on 0115 952 6666.

Why not visit our website, [www.cityflowersnottingham.co.uk](http://www.cityflowersnottingham.co.uk) where our full range can be viewed in greater detail, you can see some of our personalised designs, and you can request floral tributes and send information about special requests, or personal messages which you would like added to your design.
